Subject: Resource Material: Parents' Handbook on Careers after School in India, Entrance Exams 2025 Guide and 21 Higher Education Vertical Books

Dear Principals,

A Career guidance plays a pivotal role in empowering students to make informed decisions about their future. In today's ever evolving and dynamic job market, collaboration among schools, parents, and stakeholders is essential to equip students with the right tools and insights for meaningful career choices.

To support this endeavor, CBSE is sharing the "Parents' Handbook on Careers after School in India" by Shri Mohit Mangal. This comprehensive guide provides valuable insights and practical advice to assist schools, parents and guardians in helping their children explore career options effectively.

Additionally, the Entrance Exams 2025 Guide and 21 Higher Education Vertical Books have been compiled to serve as essential references. These resources offer structured guidance on various academic and professional pathways for students and are available at following link:

The schools are requested to make use of these resource materials for informed discussions regarding career opportunities
